PROFESSIONAL SUMMARY

Dedicated and personable graduates seeking long-term part-time work. I have a strong track record of reliability and leadership through managing university sports programs. Excellent communicator with a positive attitude and flexible approach to work. I'm a fast learner, can handle conflict/pressure and make good first impressions.

My dream is to work in AI so at the moment I'm upskilling and self-studying - but I need to be able to support myself, I would greatly appreciate this opportunity.
